

Site Monitor

Used in conjunction with CompacOnline, Compac's Site Monitor connects to dispensers for easy site monitoring & management.

With dispensers connected to a Site Monitor, CompacOnline makes 24/7 fuel management easy.

Login from any web browser to view site data in real-time. No matter where you are, you can access up-to-the-minute details at the click of a button.

Main Features

- **Adjust Pump Pricing** - select the price you want and when you want this to change
- **View Transactions** - view the transactional data by dispenser, site or network.
- **View Faults** - view the faults and error code data by dispenser, site or network.
- **Run Reports** - export information from CompacOnline in PDF or Excel format

Advantages

- **Remote Access** - allows you to manage your site 24/7, from anywhere with internet access
- **User-Friendly** - very little skill or training required to use CompacOnline
- **No Software Hassles** - no software to install or maintain, saves you time and computer memory, and you are not limited to having to use the same computer every time
- **Keeps your Data Safe** - no need to worry about your computer crashing and losing data as everything is stored on a secure server and backed up
- **Secure** - access our Secure Data Centre only over SSL (HTTPS)
- **Easy Fault Finding** - See at a glance the status of your dispenser network. Keep your network at maximum performance with help from event reports.

Security is our Priority

- All data is stored in our secure data centre
- Access is only over SSL (HTTPS) with logon and password
- Strong passwords are required and can be changed according to required security level
- A role matrix is used to limit functionality for particular users, for example set price cannot be changed by an unauthorised person

Connection Options

- ADSL broadband
- 3G Wireless broadband
- Satellite broadband
- Your local area network (LAN)

How much does it cost?

There is a one-off cost for the Site Monitor Box hardware. CompacOnline has low monthly running fees, and a one-off set up charge. For further information on pricing and features specific to your business requirements, please talk to your local Compac representative.
