

Master TANK Pumps & Dispensers

The MASTER range of TANK Pumps and Dispensers are specifically built to seamlessly integrate directly into your Tank design in a package that comes from Compac assembled, tested, certified and ready to go eliminating the need to make up pipework or mount Meters etc.

Displays, Nozzle holders and Hi/Lo switches are supplied separately so the Tank fabricator can mount to suit the installation

Key Features

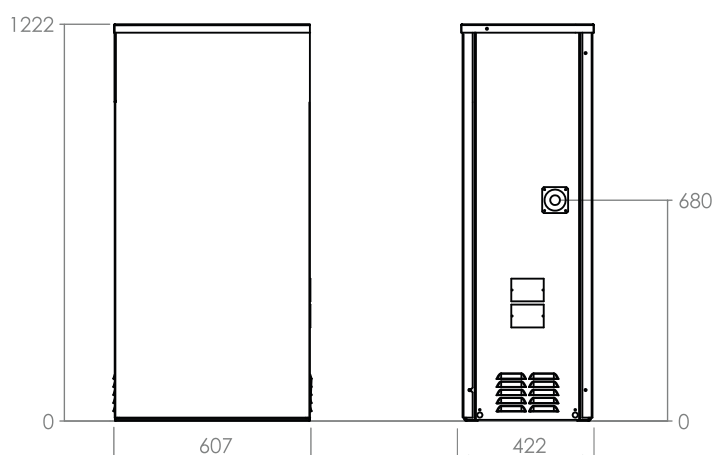

- Integrates seamlessly into the Tank design
- Flow rate options
- Retail and Commercial Displays
- Remote mounted Displays and Nozzle holders - up to 5 metres from Tank Dispenser
- Blank door panels
- Hazardous area certified models available
